u	l	d	c	j	m	v
e	z	n	s	i		

Helpful Hint: make monthly copies and date letters mastered to keep track of the challenging letters to reintroduce. Point out letters randomly during play, reading a book, or making a letter craft.

Number Recognition

Kindergarten Readiness Assessment

3	5	2	4	8
10	6	9	7	12
20	15	11	14	16
18	13	17	19	1

Counting Skills

0 to 5

6 to 10

11 to 15

16 to 20

21 to 25

Helpful Hint: use chalk to play a fun outside activity or number hopscotch to identify numbers. Another fun way to learn about numbers is to count objects such as cereal or legos.
